Immigrant Workforce Documentation and Increased ICE Enforcement: ARE YOU PREPARED?

April 4, 2017 (8:00am-12:30pm)

The Club • 1 Robert S Smith Drive • Birmingham, AL 35209

Over the last two weeks, a Department of Homeland Security memo circulated to Congress has created questions among Construction owners, leadership and HR departments in regards to immigration and the construction labor workforce.

In response to these questions, ABC of Alabama has assembled an unprecedented group of immigration and employment professionals to provide details not only on what the memo outlined but also on HR best practices, preparing and dealing with an ICE audit or actual job visit. This presentation will also include a panel discussion that will answer the top 15 questions employers are asking. Lunch will be included.

Cost: *Member \$75*

**Non-Members \$175*

**must be paid in advance.*
