Meet the Owners Business Development 2-Part Series Luncheon

ABC of Alabama has created a new lunch series to provide its members with an opportunity to hear from local owners on upcoming projects and how to do business with their companies in the future.

Guest Speakers:

August 18 - Mr. **Sam Dixon** the **Director of Facilities for the Alabama Department of Postsecondary Education**

New to the position this summer and with over \$100 million in current projects across 29 campuses throughout Alabama, **Sam Dixon** will have an interactive session on how to find out how to find and track upcoming approved projects before they go out to bid.

September 22 – Mr. **Ashley Baker**, Vice President of Environmental Projects and Construction – **West Southern Company Generation**

Ashley Baker will provide an overview of Southern Company's current work along with a construction forecast for upcoming projects. He will also give participants information on how to qualify for work with Southern Company.
