Alabama Chapter

LAUNCHES FIRST BOOK CLUB

Registration is available to only the first 50 to sign up. The cost is \$50 per person, which includes coffee, refreshments and the book.

ABC of Alabama is launching its first-ever book club and will cover the Lean Construction Institute's book *Transforming Design and Construction: A Framework for Change*.

The book club is an ideal opportunity to learn more about lean construction, as well as network with peers in the construction industry.

The club will be held **twice a month from 7:30 to 8:30 am**. Launch Date: August 11. Douglas Lee, a contributing author of the book, will lead the first session and various participants will lead the additional discussions on designated chapters each session.

Come enjoy coffee, refreshments and a deep dive into lean construction practices and how the method could be utilized in your company!

STATS ABOUT LEAN*:

84%

of lean practitioners find that adopting lean has led to higher quality projects.

80%

report greater customer satisfaction.

86%

of lean practitioners find that clients are increasingly expecting the shortened construction schedules enabled by a lean approach.
